Haiti's earthquake has devastated an already struggling people. Children and families urgently need water, food, medicine, and shelter.

**Please give whatever you can.**

### Health & Nutrition

- **1 cent provides a vitamin A capsule** used to prevent and treat vitamin A deficiency in children and adults, as well as complications that may result from measles.
- **7 cents provides one oral rehydration therapy** packet for one child to treat severe dehydration and diarrhea, a leading cause of death among young children.
- **\$1 provides one high energy protein biscuits** packet that contain minerals and vitamins developed for malnourished children during emergencies.
- **\$25 provides 12 liters of therapeutic milk**, a milk-based powder for the treatment of severely malnourished children.
- **\$78 provides therapeutic nut spread** that can feed 10 children for 1 month. This spread is a high protein, peanut-based paste that is supplied in a ready-to-use packet.
- **\$120 provides 600 doses of measles vaccine**, protecting children from this deadly disease.

### Water & Sanitation

- **60 cents provides 50 water purification tablets**. Each tablet is able to turn 4–5 liters of dirty water into clean drinking water.
- **\$2 provides one collapsible water container**. Each water bladder holds 10 liters of water and is especially useful for carrying water to long distances. This water container is also very useful for storing clean, safe water for everyday use.

### Education

- **\$10 provides a sketch pad** for 10 children with a set of 8 coloring crayons each.
- **\$200 provides one school-in-a-box kit** which provides basic education to at least 40 children during times of crisis that allows them to continue their education.

### Child Protection

- **\$3 provides one large woolen blanket** for comfort in times of emergencies.
- **\$5 provides a soccer ball** which encourages children to play and restore a sense of normalcy in times of emergency.
- **\$222 provides one tent** to be used for lifesaving shelter or to support a clinic or school in times of crisis. Tent prices vary between \$222–\$2,000 depending on size and material of the tent.
